## EXPERIENCE

---

### Technical Trainer-FacePrep

March 13 2023 – November 30 2023.

As a DSA - Technical Mentor at FacePrep, I help students master Data Structures and Algorithms, enhancing their problem-solving skills and preparing them for technical interviews. I design and deliver engaging technical content and coding challenges, conduct regular workshops and webinars, and provide one-on-one guidance and feedback. I also collaborate with a team of educators to develop effective learning materials and contribute to the improvement of the curriculum and course content.

## EDUCATION

---

**Rajiv Gandhi University of Knowledge Technologies IIIT Srikakulam** 2019-2023  
Bachelor of Technologies (Computer Science and Engineering) | Percentage: 75%

**Rajiv Gandhi University of Knowledge Technologies IIIT Srikakulam** 2017-2019  
Intermediate (Pre-University Course) | percentage - 71%

**Sri Raghavendra School** 2016-2017  
Secondary School Certificate | percentage - 90%

## ACADEMIC PROJECTS

---

- **Complaint Management System.**
  - Led project team of 3 members, created a web application to register complaints across various departments.
  - Enabled users to upload evidence, such as videos and images, along with detailed complaint descriptions.
  - Developed the application utilizing Django, HTML, CSS, JavaScript, and Bootstrap 4.0 for seamless functionality.
- **Page of Memories.**
  - Spearheaded the successful development and implementation of a highly intuitive web application, empowering users to share personal insights and experiences, creating a virtual diary experience; achieved a 50% increase in daily active users within 3 months.
  - Built the application using Django, HTML, CSS, JavaScript, and Bootstrap 4.0 to ensure a visually appealing and interactive platform.
- **It Infra.**
  - Spearheaded the development of a web application, leveraging agile methodologies, to facilitate user sharing of opinions and life experiences, resembling a digital diary; drove a 60% increase in user engagement and 40% growth in active users within six months.
  - Utilized Django, HTML, CSS, JavaScript, and Bootstrap 4.0 in the development process.

## AWARDS & ACHIEVEMENTS

---

- Achieved a certification in Kabbadi, granted by the Tamil Nadu Para Sports Association.
- Secured a 2nd place certification in volleyball, acknowledged by the Tamil Nadu Para Sports Association.

## SKILLS & Others

---

**Skills:** Core Java, Python, Django, C and C++, Object-oriented programming, Data structures and algorithms, HTML, CSS, JavaScript, Bootstrap, REST APIs, SQL, ReactJS, Git, GitHub, Version control.

## CERTIFICATIONS

---

- Earned LinkedIn learnings certifications in Core Java, with top 5% performance in Core Java highlighting a strong technical skill set.
